

Cheshire TV Scholarship

"CTV exists to encourage citizens to exercise their right to free speech, and to foster awareness of their community through democratic use of electronic media by providing access to cable television and for the purpose of non-commercial communication within the community."

Public, Educational and Government (PEG) access channels exist to give individuals who otherwise might not have access to the media an opportunity to display and showcase their talent, knowledge, interests and any other information with the rest of their community, and thereby enhance the quality of life in the community.
